# aurum Performance Horses

## Presenting Aurum Brilliant Cut

**Bay 19/01/2001**

**Brilliant Cut clearly carries the Brilliant Invader stamp. Brilliant Invader sired many highly succesful showjumping and eventing horses including Ready Teddy (Gold, Barcelona Olympics), Koyuna Ted, Mousetrap and Street Talk. In New Zealand, Brilliant Invader sired a string of successful showjumpers, at one stage ranking 2nd as a sire of showjumpers with only 10 progeny competing!**

**Brilliant Cut's dam, Daisy, was a highly talented purpose bred eventer who succesfully competed to one star level in the days when one star was somewhat more challenging than it seems to be now! Her sire was Sterling King who succesfully competed at three star level. Daisy is out of a Black Pampas mare, a line which has been highly sought after for jumping horses in Australia.**

**He displays an excellent temperament, is highly intelligent and trainable and shows a natural talent over fences. His foals display great personalities, willingness to learn and excellent conformation.**

**2007 Stud Fee $950 inc GST Walk-In/Walk-Out**
